About RDCA

The Association - RDCA

Rockville Day Care Association, Inc., is a private, non-profit, tax exempt, Maryland Corporation which was started in 1969. We are a multi-site provider of quality children's programs in Montgomery County, MD.

Through competitive bid processes, RDCA was selected as the on-site child care provider by the schools and facilities where our programs are located.

Our administrative oversight and support, expertise in child care management, and comprehensive knowledge of early childhood programming create the model for success for our affiliated programs.

Our centers are licensed by the Maryland State Department of Education (MSDE) – Office of Child Care.

Our preschool programs are accredited by the Maryland State Department of Education (MSDE). RDCA/Northwest CCC will be accredited by the National Association for the Education of Young Children (NAEYC).

Our centers participate in Maryland EXCELS (Excellence Counts in Early Learning & School Age Care).

Our centers participate in the U.S. Department of Agriculture – Child and Adult Care Food Program (USDA-CACFP).

RDCA is supported by a volunteer Board of Directors comprised of parents from our various program locations.

With Infant/Toddler, Preschool and School Age Before and After Care programs, in seven locations. RDCA is a proven organization that works closely with parents, communities, and schools to deliver exceptional child care for infants through school agers.

Our Curriculum

RDCA is your best choice for high quality child care at affordable prices. Featuring a curriculum that focuses on the unique learning styles of each child, in environments that are engaging, with teachers that are nurturing and knowledgeable, we offer that personal touch you are searching for.

Our STREAMLINED program activities (science-technology-relationships-engineering-art-math-language-inclusion-nutrition-exercise-drama) support our philosophy of providing balanced and enriched programs daily for all age groups.

Our toddler, twos and preschool programs use the *Creative Curriculum* — a Maryland State Department of Education (MSDE) approved model which employs best professional practices for working with children aged 18 months to five years of age.

Our school age programs offer a variety of engaging enrichment and recreational activities that focus on learning through FUN, in a structured and safe environment. Individual interests are supported, providing for the educational, physical, social and emotional needs of each child. Healthy snacks and homework help is included.

Enrollment

We offer a personalized enrollment process for you as you make this critical decision of selecting a child care program. We meet with you face-to-face to answer your questions and give you and your child the opportunity to tour the facility, meet the staff and observe the program.

Many of the documents you will need for enrollment are available on our website: rockvilledaycare.org/about/enrollment/
